

Luminary Bags

Materials:

- Paper bag
- Single hole punch
- Scissors
- Battery-powered candle

Instructions:

1. Leave the paper bag flat.
2. Cut the top few inches off in a zig-zag or curved pattern.
3. Punch holes in the lower part of the bag to create a pattern.
4. Open the bag, turn on the candle, and place it inside the bag.
5. Turn off the lights or use your lantern in the dark and enjoy!
